# ***Optimized Graphics = Better Website***

- Fast-Loading Images – compressed photos keep the site quick on mobile & desktop
- Professional Look – consistent branding builds guest confidence
- Engaging Visuals – photo galleries & virtual tours make guests explore more
- SEO Advantage – optimized images improve Google ranking

Before Optimization  
Larger file size → slow loading  
Blurry / lower quality  
Not mobile-friendly

After Optimization  
Compressed file → fast loading  
Sharp, high-quality photo  
SEO & mobile-friendly
